Employee Expense Reimbursement Policy

Organization: Meridian Technologies

Document ID: FIN-002

Version: 1.0

Department: Finance

Team: Accounts

Effective Date: February 15, 2026

Last Updated: September 30, 2026

1. Purpose

This policy establishes the procedures for submitting, reviewing and reimbursing business-related expenses incurred by employees of Meridian Technologies.

The Accounts team is responsible for verifying expense claims, maintaining reimbursement records and coordinating approved payments.

2. Eligible Expenses

Employees may request reimbursement for reasonable business expenses, including:

- Approved business travel.
- Accommodation during official travel.
- Client meeting expenses.
- Work-related software subscriptions.
- Approved training and certification fees.
- Local transportation for official assignments.

Personal purchases, entertainment without business justification and expenses unrelated to approved responsibilities are not reimbursable.

3. Expense Limits

The following illustrative limits apply:

Expense Category	Maximum Amount
Local transporta	₹2,000 per trip

tion	
Business meals	₹1,500 per person
Hotel accommodation	₹5,000 per night
Training and certification	₹15,000 per employee
Software subscriptions	Subject to department approval

Expenses exceeding these limits require prior written authorization.

4. Reimbursement Procedure

Employees must submit expense claims through the internal expense portal within 15 calendar days of the transaction.

Each claim must include:

- Employee ID.
- Expense category.
- Transaction date.
- Amount and currency.
- Business justification.
- Supporting invoice or receipt.
- Department and approving manager.

The reporting manager verifies the business purpose. The Accounts team then validates the supporting documentation and approved expenditure limits.

5. Approval and Payment

Expense Amount	Required Approval
Up to ₹5,000	Reporting Manager
₹5,001–₹25,000	Department Head
Above ₹25,000	Department Head and Finance Manager

Approved claims are normally processed within seven working days after final verification.

Claims with missing receipts or insufficient justification may be returned for correction.

6. Rejected Claims

A reimbursement claim may be rejected when:

- The expense is personal.
- Supporting documents are missing.
- The expense exceeds an approved limit without authorization.
- The claim is submitted after the permitted period without an approved exception.
- The same transaction has already been reimbursed.

Employees may request a review by submitting additional evidence to the Accounts team.

7. Financial Records

The Accounts team maintains reimbursement records, payment references and supporting invoices.

Monthly reimbursement summaries are included in departmental expenditure reporting.

8. Confidentiality

Employee banking information and reimbursement records must be accessible only to authorized Finance personnel.

Department membership does not automatically grant access to individual banking or payment records.
